

EFS Technology ~ Silver Sponsor for TEMENOS Community Forum 2011

## Making document management a differentiator for your business

EFS Technology is pleased to be the Silver Sponsor for the TEMENOS Community Forum 2011, to be held in Lisbon, Portugal from the 23-25 May.

The AutoFORM software will be presented at the Conference. The presentation will showcase how AutoFORM's advanced technology for document management which encompasses, scanning, automated emailing and efficient storage with simple document retrieval can be easily implemented with TEMENOS T24. In addition, how AutoFORM assists financial institutions in their drive to improve levels of customer service whilst reducing costs. Standard Bank Mozambique will present their case study showing how they have used the AutoFORM software with TEMENOS T24, to improve customer service and reduce costs by implementing automated processes for managing the banks documentation.
